Masai Mara National Reserve - Lake Nakuru - Lake Naivasha

Five Day Tour - Itinerary

This trip departs from Nairobi by road to Masai Mara National Reserve, and one of the greatest opportunities to enjoy the most diverse collection of wildlife that Kenya offers, including antelope, Maasai giraffes, cheetahs, hyena, leopard, buffalos, Black rhinos, elephants, hippos, lion and much more.

We head to Lake Nakuru National Park for rhino and more bird watching, then on to Lake Naivasha and its environs, for more adventurous activities including boat rides, nature walks and a visit to Hells Gate National Park. Named for the intense geothermal activities within its boundaries, it offers activities, such as cycling, hiking or swimming at the geothermal spa.

Day 1: Nairobi – Masai Mara National Reserve

Pick up from the airport or your Nairobi hotel early in the morning and head south, our first stop will be at the Great Rift Valley Escarpment for breathtaking views and chance to take some photographs, before driving to Narok town.

Arriving at Masai Mara in time for lunch, we will settle in and prepare for late afternoon game drive, returning to the lodge or tented camp for dinner and overnight stay.

Day 2: Maasai Mara National Reserve

Kenya's famous Masai Mara National Reserve; located southwest of Nairobi, offers best game viewing opportunities through the year thanks to its abundant resident wildlife including the Big Five (leopard, buffalo, Black Rhino, elephant, and lion).

Best-known for its exceptional game, featuring the Big Five and the famous annual migration, it is considered one of the seven wonders of the world, the great migration is an iconic safari must-see.

Between July and October each year, over two million wildebeest, zebra, and other herbivores trek from the southern Serengeti to the lush green grasses of the Masai Mara.

Throughout the year we enjoy the splendour of Mara's resident wildlife, such as antelopes, giraffes, cheetahs, hyenas and many more. Bird life is also abundant with over 450 recorded bird species.

You may choose to explore the Reserve in a hot air balloon which includes a champagne breakfast and visit to a Masai village. Also available through local bookings are guided nature walks or horseback riding within one of the Mara adjoining conservancies.

Masai Mara National Reserve - Lake Nakuru - Lake Naivasha

Day 3. Masai Mara – Lake Nakuru

We drive through the Reserve after breakfast, exiting through the Main Gate and proceed to Lake Nakuru National Park with picnic lunches.

Lake Nakuru offer a fine & relaxed game drive, thanks to its unique vegetation and landscape ranging from forest, acacia woodland, & grassland. Wildlife notable in this park includes, rhinos, giraffe, buffalo, baboons.

Day 4: Lake Nakuru- Lake Naivasha

Early morning game drive followed by a leisurely breakfast at your lodge/ camp before making your way down the Escarpment to the nearby Lake Naivasha.

Lake Naivasha is one of the Kenya's freshwater Rift Valley Lakes, which offers numerous out of vehicle activities, ideal for travelers of all ages.

Hells Gate National Park is the only park in Kenya that allows cycling, bikes may be hired at a small fee at the park entry. You may do a challenging gorge walk with a professional guide subject to weather condition or if you are more adventurous may do rock climbing at Fischer's tower with a height approx. 25meter.

At the furthest corner of the park is Geo-thermal Spa which is refreshing pool with soothing temperatures that you can opt to enjoy, indeed a unique and relaxed way of spending your afternoon as you watch fine game, such as giraffes, baboons and warthogs.

Day 5: Lake Naivasha- Nairobi

We spend our morning exploring Lake Naivasha and environs.

Depart for Nairobi shortly after lunch dropping off at your Nairobi hotel or the airport.

You may decide to extend your stay to the Kenyan coast.
