## Solio -Samburu- Ol Pejeta

## Seven Day Tour - Itinerary

This tour takes you to the central and northern part of Kenya.

We start by visiting Solio Ranch, considered the best place to view rhinos. Day two and three we enjoy our stay at Samburu National Reserve viewing the “Samburu five” wildlife only found in the northern frontier [Beisa Oryx, Gerenuk, Grevy’s zebra, Reticulated giraffe and Somali ostrich].

We conclude our tour with a visit around Mt. Kenya region visiting the chimpanzee and rhino sanctuary located inside the Ol Pejeta Conservancy and optional short nature walks around the base of the highest mountain in Kenya “Mt. Kenya”. The tour ends in Nairobi.

**Day 1: Nairobi - Solio Ranch**

Pick up from your Nairobi hotel in the morning and drive north to Solio Ranch. This is a private sanctuary located in central part of Kenya which serves as a breeding and protection area for the endangered Black rhinos, hence its ideal place for rhinos viewing in their natural habitat and in plenty. Other game found here includes zebras, giraffes, hartebeests, lions, leopards, and buffalos among others.

**Day 2: Solio Ranch**

Day spent enjoying the ranch through morning and afternoon game drives. Overnight at a lodge.

**Day3: Solio- Samburu National Reserve**

Breakfast at the lodge then proceed further north with a brief a stop at the equator. On a clear morning you will enjoy beautiful views of Mt. Kenya (Kenya’s highest mountain and second-highest in Africa after Kilimanjaro) at a distance as we proceed further north to Samburu National Reserve. We view game on our way to the lodge for Lunch. Followed by late afternoon game drive. Overnight stay at the Lodge/tented camp

**Day 4: Samburu National Reserve**

Your day will be spent enjoying the reserve’s beautiful landscapes and its unique/endemic species only found in the northern parts of Kenya, the reticulated giraffe, Grevy zebras, gerenuk and gazelles often found standing on their hind legs while browsing and Beisa Oryx.

## Solio -Samburu- Ol Pejeta

In addition, lion, leopard, cheetah, hyena, wild dogs and elephants, as well as many bird species like the vulturine guinea fowls, Secretary bird and the Somali ostrich. Samburu National Reserve provides a great opportunity for bird spotting too.

Optional Samburu cultural village visit.

**Day 5: Samburu - Ol Pejeta Conservancy**

Depart after breakfast for Ol Pejeta Conservancy, situated at the foothill of Mt. Kenya. We arrive in time for lunch. Afternoon spend viewing game in this Conservancy,

Ol Pejeta Conservancy is one the popular safari destinations due to its proximity to Nanyuki town, easy reach and the fact that it hosts the big five [rhinos, lion, elephant, leopard and buffalo.

Similarly, it's the only place in Kenya where one can see chimpanzees. The Sweetwaters Chimpanzees Sanctuary was founded as a rescue home to the orphaned and abandoned chimpanzees.

**Day 6: Ol Pejeta Conservancy - Mt Kenya area**

Full day spent at Ol Pejeta Conservancy game viewing.

The Conservancy offers optional activities you can consider, such as horseback riding that will take you close to the rhinos and other game, night game drives, cycling in wild, guided bush and bird walks and many others. Your visit to the Conservancy is chance to learn much more about the plight of generations of rhinos in this area, the rewards of their conservation efforts and chance to see the only two remaining Northern White rhinos.

**Day 7: Ol Pejeta - Nairobi**

Morning game drive before driving back to Nairobi to arrive in the late afternoon.
